

MOUNT PISGAH ACADEMY

ALUMNI WEEKEND

APRIL 19-21, 2024

HAIL TO DEAR OLD PISGAH

In the beautiful land of the sky,
Is the school that we all love the best.
Oh we love oak and pine,
We love roses that twine,
In the land that by nature is blessed.

Hail to dear old Pisgah,
We will root for you.
To your lofty purpose,
We'll be ever true.

We love your hills and valleys,
Your bells and classes, too.
So be loyal to Pisgah's red and white,
And her standards true.

VESPERS SPEAKER

RODNEY MCFADDEN

The son of educational entrepreneurs, Rodney McFadden was gifted from the start with a love for learning, ministry, and an ability to lift the spirits of those around him. This South Carolina native defied environmental circumstances, going on to become a beloved educator, musician, author, and pastor. Rodney is currently the Youth Associate Pastor at Avon Park SDA Church. Married to his best friend, Denys, and father to Journee and Carter, Rodney desires to heed God's call to minister not only to his family but where God says, "Go".

SABBATH SCHOOL SPEAKER

RICK STIER

Mount Pisgah Academy represents a poignant, positive turning point in Rick's life. His "transformation walk" at age 17 from the Administration Building to the Boys' Dorm (when it was located at the top of the hill), represents the beginning of his life's commitment to and journey with Jesus as his Saviour and Lord. During his final year at Pisgah, he served as Student Association President, Student Band Director, and Pastor of the Senior Class.

After graduating from Southern Adventist University, he earned an MBA and enjoyed a career as a purpose-driven, results-proven healthcare executive and consultant. His record speaks for itself.

Rick is not retired but delightfully redeployed. He serves as an elder at his church and seeks to inspire listeners to worship. Beginning at the age of five, with a halting version of "Jesus Loves Me", he is now a church pianist, concert pianist, recording artist, and piano teacher at Temecula (California) Conservatory of Music. Rick frames it this way: "I have a calling on my life to be a grateful conduit for God's matchless love with His music flowing through me to glorify Him."

Rick and his cherished bride Marla have two grown children and four grandchildren. It is their delight to be with you in this treasured place.

CHURCH SPEAKER

JIM CRABTREE

Jim Crabtree (Crab) was born and spent much of his youth in Greensboro, North Carolina, which could be described as four hours hitch hiking east of Mount Pisgah Academy on a good day. He was dropped off at the academy in 1962 after the General Conference session in San Francisco, disappointingly described as “The Adventist showed up with a ten dollar bill and the ten commandments and didn’t break either one.”

He feels blessed to have been able to work at the Pisgah Dairy, the Farm, the Broom Factory, the Spring Shop, maintenance, grounds and the Fleetwood Hall men’s dorm. Each job was an opportunity for learning life skills and a good work ethic.

He then attended Southern Missionary College, University of Virginia, Polk Community College in Winter Haven Florida, and graduated from Florida Tech. in Orlando.

He credits MPA as providing his most needed life blessing which could be described as a Life Vision.

For Jim, Mount Pisgah was the single best experience for life preparation.

GEORGE GROW SCHOLARSHIP

GEORGE & LINDA GROW

Mr. Grow received a B.A. in Chemistry from Andrews University and later received a M.Ed. in Biology from Western Carolina University. He and his wife Linda joined the staff of Mount Pisgah Academy in the fall of 1968. Since joining the staff of Mount Pisgah Academy, Mr. Grow has touched the lives of more than 3,000 students. In 1996, one of these students, who remembered and appreciated the character traits exhibited by Mr. Grow, started The George Grow Award.

To qualify for the award, students must have attended Mount Pisgah for at least three and a half years and best exemplify the following characteristics: a committed, practicing Christian; dependable and reliable; willing to help others in any way possible; cheerful and even-tempered; and a good student who is eager to learn.

In loving memory of George Grow: A beacon of light in our community, his passing leaves a profound void in the hearts of all who had the privilege of knowing him. For four decades, Mr. Grow graced the halls of Mount Pisgah Academy, not only as a science teacher but as a pillar of wisdom, kindness, and unwavering dedication to the growth of his students. His passion for Adventist education was not just a profession but a calling, inspiring generations to pursue knowledge with curiosity and integrity.

Beyond the confines of the classroom, George was a mentor, guiding countless young minds toward their fullest potential. His impact rippled through the lives of his students, shaping them into compassionate individuals ready to make a difference in the world. As a friend, he offered warmth, support, and a listening ear, enriching the lives of those fortunate enough to call him a confidant.

Though George may no longer walk among us, his legacy of love, wisdom, and service will continue to inspire us. Let us honor his memory by carrying forward the torch of education, compassion, and faith he so passionately ignited within us. Until we meet again in the glory of heaven.

HEIDI JO POSSINGER

MEMORIAL SCHOLARSHIP

Heidi Jo Possinger, born on November 22, 1971 in Loma Linda, CA, was an answer to prayer for her two older brothers, who had prayed diligently for a little sister. From the day Heidi arrived, her brothers appointed themselves as her protectors.

After her family moved to North Carolina in 1984, Heidi attended Captain Gilmer Elementary School and Fletcher Academy. For her junior and senior years she attended Mount Pisgah Academy, where she touched the lives of everyone she met. After

graduating from MPA, Heidi attended Southern Adventist University. During her three years there, Heidi traveled with the College Orchestra and added a new instrument to her repertoire – the organ. She was also able to tour China with the New England Youth Ensemble.

Heidi had many talents and interests. She avidly studied the viola and piano and accompanied her brothers often in musical performances. Heidi competed along with her horse in local shows, and enjoyed performing in a variety of sports, especially track. Heidi also worked in her father's doctor office during holidays and became proficient in any area where she was needed.

It was during her third year as an accounting major at SAU that Heidi was diagnosed with leukemia. One of her friends from MPA immediately headed a bone marrow drive on campus to help find a donor for a transplant. A donor was finally found and Heidi flew to Seattle for the transplant. The operation was successful, but the leukemia eventually returned.

Heidi's strong faith in God and positive attitude made things more bearable for her. She knew if she placed her life in God's Hands, whatever happened to her would be okay. And so Heidi Jo Possinger died in peace June 7, 1996 with the knowledge that God would give her a new life upon His return.

The Heidi Possinger Music Scholarship was started by members of the Class of 1990 in honor of their 10-year reunion. This scholarship is given annually to a student who is in good academic standing and especially talented in music.

BILL AND SHARON WOLCOTT SCHOLARSHIP

BILL & SHARON WOLCOTT

The Wolcott Scholarship is in recognition of a life of exemplary service during 24 years of deanship and of one who has impacted thousands of young people's lives through the modeling of Christ-like values and actions. The class of 1978 is honored to have established an annual scholarship in the name of Bill and Sharon Wolcott.

Thank you "Dean" and Mrs. Wolcott for sharing a vision of God's amazing grace with each one of us.

CLASS OF 1978 MEMORIAL SCHOLARSHIP

The Class of 1978 has always shared a very special bond with one another. This close bond exists even today. It is because of the love we share together and for others, that we honor the memory and lives of our fellow classmates with an annual Memorial Scholarship Award. We are committed to helping ensure that other young people have access to an excellent Christian educational experience at Mount Pisgah Academy.

Robert and Mark Addison

Golden Rule Award

DR. ROBERT ADDISON

Dr. Robert Addison, '51, died peacefully, surrounded by his family on March 6, 2016. He was a perfect example for his family and friends, living the Golden Rule. Robert graduated from Mount Pisgah Academy in 1951. He treasured the family and many friends he was blessed to have in his life. He will be remembered for his love and many kindnesses to his family and friends.

“There is an eloquence far more powerful than the eloquence of words in the quiet, consistent life of a pure, true Christian. What a man/woman is has more influence than what he or she says.”

Robert Martin “Mark” Addison was born to Dr. Robert and Janyce Addison February 22, 1968. He was raised in a loving Christian home in Spartanburg, SC.

Mark was a joy and delight to his parents and three older sisters, Angela, Susan and Bonnie. He attended church school at Eddlemon Memorial Adventist Church School.

He came to MPA in the fall of 1984 and instantly established himself as a leader. Though an excellent scholar, he showed an amazing ability to bring people of different groups and ideas together in laughter. Whether leading out in talent shows, hosting banquets, or mischievously orchestrating practical jokes, he brightened the lives of fellow classmates and faculty. He graduated in 1987 as the president of his class. Mark further developed these leadership skills while attending Southern Adventist University, from which he graduated with a degree in business in 1991. While there he distinguished himself with high grades and was a campus leader and extraordinary entertainer. At Southern he made the acquaintance of Stephanie Rauch, whom he married in 2004.

He received his Juris Doctor degree from Wake Forest University School of Law, and practiced in Winston Salem, NC and Chattanooga, TN. At the time of his untimely death, he was First Vice President and Trust Advisor with Sun Trust Bank. He practiced always with precision, clarity and utmost honesty. Just prior to

his death Mark had been notified he was selected to present cases before the Supreme Court.

Tragically, Mark died unexpectedly from a sudden heart attack on January 9, 2015. In addition to his wife Stephanie (Rauch), he leaves a son Gavin, who was 6 years old at the time of his father's death. Gavin will continue to learn of the positive contributions his father made over the years.

Mark was known as one who bridged divides among diverse groups and brought them together - often with laughter. He lived the "Golden Rule".

The Robert and Mark Addison Golden Rule Award honors the senior students who demonstrate living the Golden Rule. The Addison family is happy to present this award each year to a male and a female senior student who exemplify Christ's dictum to "Do unto others as you would have them do to you." Matthew 7:12
